

Parent – Child Mother Goose

Relaxed play sessions for babies/toddlers and parents to bond, socialise and learn using stories, songs and rhymes.

@ 45 min Session followed by Chat n Play

Early Learning Centre, Swan Reach Area School

Selected Thursday Mornings during school term

Trained facilitators Kristy and Claire would love to see you and your baby/young children for this fun session. The perfect opportunity for those with **children 0-2** to get out of the house for a shorter “baby playgroup”, with all young **siblings welcome**.

With rhymes, stories and songs we all learn and grow together in a safe environment for parent-child bonding and low key socialising. If you are **new to the area** or to **parenthood** Mother Goose is a **smaller group** with a shorter session than conventional Playgroup if you want to “ease in” to getting to know people.

After the session (around 45min, depending on the kids on the day), out come the toys and parents can enjoy a relaxed cuppa if they want to stay and chat.

No “booking in” required –

we know how it can get with babies and little ones!

No cost for families –

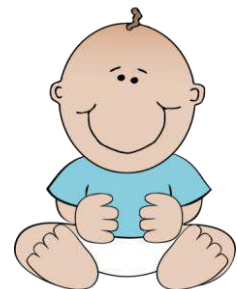

nothing to bring except your usual “baby bag”!

There are no tests! –

You don’t need to know the stories and songs, we all learn together (and sometimes just listen).

We get it!

Kristy and Claire are parents themselves

If you have any questions, please don’t hesitate to message/ring **Kristy 0438 857 721**
