

Light the Night

The Leukaemia Foundation's beautiful evening lantern walk, where Australians come together and transform the darkness into a sea of glowing light to beat blood cancer.

The Murray Mallee Auto Club will be hosting this very special blood cancer support event on

Saturday 12th October

at the Nildottie Soldiers Memorial Hall.

Starting at 6pm for a sausage sizzle.

Tea & coffee + Bar facilities available, (please no BYO).

To register & order a lantern please contact

Tony or Sonya Friebe, MMAC 08 85701068 0428641416

When you register for Light the Night, you receive your special lantern to carry as darkness falls. Lanterns are raised high in a moving ceremony to pay tribute to those facing their own blood cancer journey and to remember loved ones lost, creating a glowing sea of support.

Together, the crowd then carries their lanterns along a reflective walk to Light the Night.

Each coloured lantern carries a special meaning.

Gold to remember loved ones lost to blood cancer,

White for those diagnosed themselves and

Blue to show community support for all those affected.

The night will take your breath away. It's an empowering, beautiful and supportive event that brings family and friends together with a united goal: to fund research that will help beat blood cancer.

Please support this community event by purchasing a lantern and joining us on the night.

Thanks to the Nildottie Progress & Soldiers Memorial Hall Association Inc. for their support.
